

*Dear Guest,*

*We are very happy to welcome you to Uganda for one of our Tours. The additional information are required for your stay in Uganda. We hope you find all Information needed, in case there are more questions please feel free to contact us.*

## Vaccinations

Required is Yellow fever. Without the vaccination, you can't enter the country. Corona vaccination might be required, please check the homepage of the airline or embassy for further information.

Additional Vaccinations, are not required but advised.

## Flight

To book your flight, we need your Passport Number, Full Name and Address. Please be informed that most airlines don't separate normal meals, vegetarian or vegan anymore. If possible we book the option for you. Please let us know what you prefer.

## Visa

For your Visa we need pictures or scans of

- Passport Data Page
- Passport pictures
- Yellow Fever Vaccination
- Travel Documents

Additionally, we need the following information

- Your Address, contact, and E-Mail
- Marital Status
- Current (former) nationality
- Travel history

## Insurance

Please be aware you need **your own travel insurance** for your duration of stay. We can advise you of DR Walter international insurance.
